## About Me

Hi, I'm Md. Shakhawat Hossain, a WordPress developer with 3 years of experience specializing in responsive websites, custom themes, and plugins. I'm also proficient in native coding for bespoke web solutions.

## Education

- Bachelor of Science (Physics)  
National University 2000 - 2004
- Master of Science (Physics)  
National University 2005- 2006

## Experience

- Web Developer 2022 - 2024  
Faim Bangladesh  
I have 3 years of professional experience at FAIM Bangladesh, where I honed my skills in WordPress development and custom web solutions. My role involved creating dynamic, user-focused websites tailored to client needs.
- Contractual Remote Job 2024 - continuing  
Digifia IT Solutions  
I have been working remotely on a contractual basis with Digifia IT Solutions since 2024, specializing in creating WordPress websites. My work focuses on delivering high-quality, tailored web solutions for diverse clients.
